"DISCIPLESHIP FOR MEN" (maybe better titled, "I want to hear God's Voice").

How do I hear Jesus Christ? What is He going to say to me?

What is He going to say to me? Will He really talk to me?

Central to this theme this spring and summer is how Jesus Christ plans to spend time with me, to rub off on me, to make me more and more into His image.

How do I tune in at church and in my every day week on my own too.
